### Floor Coverings

Here is a floor covering, dainty in design and coloring, that costs less than printed linoleum. It is easily laid, requires no fastening, and is very durable.

Congoleum is splendid for kitchen floors. Repeated washing cannot injure it. Tile, matting, floral and conventional designs, suitable for any room.

Congoleum Rug Borders are remarkable imitations of polished oak. Come in and see them.

## A Little Snow in the Air

Freezing nights are sure to remind us all that winter is just around the corner. There will be some hurrying now to see what is what for fall and winter wear. Early shoppers will see some new, desirable Dry Goods and Garments that late shoppers will not see. Lots of choice kinds come in small quantities. No two lots the same. Ladies like individual styles and they like first choice.

Miss Whitney, our Millinery Buyer, was in Boston the first of the week, picking up the latest kinds. They all say that she found some very choice Millinery.

Lots of New Coats and Suits have just arrived. It looks as though this week would be about the right time to select from these new kinds.

## Very Pretty, Very New; Just Now, Very Good Feather Neck Pieces

These feather Shoulder Pieces are very pretty and have lots of warmth in them. They fit close at the neck and are very stylish in larger-cities. They make an all season neck piece, as they are warm cool even-ings in summer over thin waists and over suit coats in fall and winter.

These Feather Pieces are made of Mari-  
bou and Ostrich feathers. Plain Maribou  
in Taupe at \$3.25. The best of these are  
only \$3.98 each.

White Maribou with black Ostrich  
feather stripes.

Taupe Maribou with Ostrich feather  
stripes to match at \$3.98 each.

The prices on these new Neck Pieces are so low that one would hardly  
expect them to appear as neat and pretty as they really are.

We Parcel Post Free all orders received by mail. This is your quickest,  
handiest and best way to do dry goods shopping.

New Fur Edges for suits, hats and coats. Winter garments trimmed with  
fur have a very warm, comfortable look and this season's styles make them  
much wanted.

Would you like to take just one look at the New Millinery that we are  
opening up to-day? We are sure you will see some very smart styles—Mil-  
linery that will appeal to you as the last word in Millinery.

Millinery for babies, for children, for misses and ladies. We look after  
both old and young ladies of your family. Ask to see "Lids for Kids," our  
line of Hats for children and misses.

These Hats can be sent by parcel post.  
If you enjoy looking at a large assortment of choice styled Fall Hats,  
you will want to see this line while it is at its very best.

Was Not Driving Auto Which Collided.

Editor Barre Daily Times: I pay for  
a certain amount of advertising in your  
paper every week but you frequently  
favor me with advertising that I do not  
pay for and I do not appreciate. I refer  
particularly to the paragraph contain-  
ing the announcement of my (1) accident  
in yesterday's issue. I was not driving  
the car in question that ran into the mail  
clerk, nor did I know of the accident.  
Kindly correct your mistake.

I would also like to refer at this time  
to your comments in regard to the mix-  
up on the corner of Elm and Washing-  
ton streets, which occurred some time in  
August. You stated that witnesses of  
the accident had no difficulty in ascrib-  
ing the blame to one party. It was clear  
enough to whom you referred. In look-  
ing up the case my attorney was unable  
to find any witness who blamed either  
party. They ascribed the blame to the  
congested, ill-lit corner and the rather  
dim lights on Ford cars in general.

I would also say that during four  
years of almost continuous driving I have  
had only one slight accident. Readers of  
your paper might gather the impression  
that I had several "scalps" to account  
for.

Respectfully yours,

### TALK OF THE TOWN

Get your Gossard corsets at Fitts'.  
Miss Beatrice Budrow of South Barre  
returned home last night after spending  
a few days in Boston.

A fine line of black velvet hats, large  
and turban hats. Mrs. Birnie, 3 Pleas-  
ant street, off Brook street.

Joseph Puricelli, aged 25, a lumper em-  
ployed by A. Sanguinetti in Burnham's  
meadow, was struck in the left temple by  
a swinging derrick hook this morning.

Puricelli was working in the yard and  
did not see the big hook as it swung to-  
ward him. The blow sent him to the  
ground and several moments elapsed be-  
fore he was restored to consciousness.

His brother, Peter Puricelli, a member  
of the fire department, was summoned from  
the station and a Washington street phy-  
sician was called. The doctor dressed a  
slight abrasion near the temple and took  
the man to his home on upper Prospect  
street. No outward developments are  
expected, but Mr. Puricelli will not re-  
turn to work for a few days.
